• **Emerging Technologies (AI & Cloud) Full**	Edunet Fundation

4-week , 14 December To 15 January
Project Link: https://colab.research.google.com/drive/1H_PkH0HCsF-zmo48slS56fMSMMMDT1Tc?usp=sharing
Executed sentiment analysis on restaurant reviews using NLP technique . Classified reviews into Positive, negative and neutral sentiment enabling actionable insight for enhancing customer satisfaction.

• **Data Analytics Trainee**	Anudip Foundation

3 months, 02 September To (Ongoing)
Currently gaining expertise in **Excel** for data analysis, **Power BI** for interactive dashboards, and **Python** (NumPy, Pandas) for data manipulation. Proficient in **SQL** for database management and querying, focused on transforming complex data into actionable insights for informed decision-making.

Key Skills

Programming Languages: Java, Python

Frameworks: Familiar with Spring MVC

Web Development: HTML, CSS, JavaScript.

Databases: Basic knowledge of SQL and MySQL.

Version Control: Git, GitHub

Data Analysis Tools: Microsoft Excel, Power BI, SQL, Python (NumPy, Pandas)

Operating Systems: Experience with Windows environments.

Software Tools: Proficient in using IDEs such as Visual Studio Code, Git, Microsoft Word, Microsoft PowerPoint.

Problem Solving: Strong analytical and problem-solving skills developed through coursework and projects.

Personal Projects

My Portfolio Website
Project Link: https://curiousanmol.github.io/my-portfolio/
I built my personal portfolio website using HTML, CSS, and JavaScript to showcase my skills and projects

Food Management System
Frontend development of a donation platform for surplus food using web technologies (HTML, CSS, JavaScript).

Extracurricular Activities

Weightlifting: Dedicated five to six months to intensive training, focusing on enhancing strength and endurance, resulting in the achievement of a bronze medal in 2022. Training undertaken at District Stadium.

Taekwondo: Demonstrated discipline and agility during seven to eight months of practice in 2019. Training also conducted at District Stadium

Hobbies and Interests

Cooking: Enjoy experimenting with new recipes and hosting dinner parties for friends and family.

Gardening: Passionate about nurturing plants and enhancing outdoor environments for aesthetic appeal.
